## Management and Leadership Diploma Level 5 (SCQF8)

The Chartered Management Institute (CMI) Level 5 diploma in Management and Leadership is aimed at practising managers and those aspiring managers who want to develop their core management skills within Management and Leadership, Coaching and Mentoring, Stakeholder Relationships, Managing Projects, Risk and Finance.

The diploma is accredited by CMI and is delivered through a work-based learning methodology supported by our Moodle digital platform, the [Scotland Excel Academy](#).

The Academy provides the opportunity for interactive learning to enhance and streamline the learner's experience.

These qualifications focus on the personal development of the individual learner's management capabilities and competencies.

A Diploma in Management and Leadership is the benchmark qualification towards full CMI membership.

### Programme Overview

Each unit is assessed by a project where candidates will be asked to demonstrate how learning has been applied to work-based learning practice.

Formal assessment is also complemented by guided learning through the Scotland Excel Academy using online content and group discussions. The dates and unit workshops which make up the Diploma are:

## Management and Leadership Diploma Level 5 (SCQF8)

### Essential Information

#### Who is the course aimed at?

Public Sector managers who are keen to build on their management and leadership skills through a recognised and accredited qualification.

#### How is the Programme Assessed?

Each unit is assessed by a project where candidates will be asked to demonstrate how learning has been applied to work-based learning practice.

Assessments and online programme delivery will be supported by interactive activities, online content and the opportunity to share experiences using the Scotland Excel Academy.

#### How much does it cost?

The 7-unit level 5 diploma, integrated with Chartered Manager assessment costs £2,034 per learner for public-sector learners, £1,865 per learner for associate members of Scotland Excel and £1,695 per learner for Local Authority members of Scotland Excel.

#### How will the Programme be delivered?

There will be approximately 6 weeks between delivery of each unit. The online workshop delivery will be tailored to specific group needs. The programme will be supported by the Scotland Excel Academy, which operates from a Moodle Digital Platform and will facilitate an interactive online approach to learning.

#### How much time will it take me?

The diploma is comprised of 7 units, totalling 40 SCQF credits. The SCQF works on the basis that 1 credit = 10 hours of effort and therefore it would be expected that completion of the diploma programme would require a total of 400 hours of effort.
